a. Contingency Request - Available Balance- \$16,089.80

NAME	AMOUNT REQUESTED	AMOUNT AWARDED
Twin City Showdown Basketball Tournament (Palmer, AK) (8) eight 6-8 th grade girls	\$4,294.00	\$4,294.00

Mr. Pusich explained the contingency request to YAB members. The request could be an unanticipated event based on ongoing pandemic and current restrictions in place.

Ms. Nelson stated that in resolution (section 4) it states unanticipated contingency funds are awarded for events or youth who qualify and believes this meets that requirement.

Ms. Potter stated she is familiar with this girls' basketball group and that the board shall fund them.

Ms. Nelson stated that she does not know what definition of unanticipated events are but could see it as meeting this requirement.

Ms. Balstad commented that she feels that with flexibility with resolution we could treat this as eight separate girl individual requests and fund them that way.

Mr. Rutecki commented that the YAB should come up with definition at next meeting of what an unanticipated event is.

Ms. Baxter stated Tanya Nizich is head coach of girl's players and stated it is very difficult to qualify for any event during covid-19 times.

Mr. Rutecki asked if there was any board recommendations from the YAB.

Ms. Nelson makes motion to fund this group for \$4,294 as requested. No objections. Motion passes.

- a. YAG FY22 funding recommendations – (Academics, Arts, Sports) – Board members were tasked to come up with their own allocation for their specific group since committees were unable to meet at the JDHS commons due to ongoing Covid-19 concerns.

Academic – Presented by Josh Anderson & Kiana Potter

- Discovery Southeast: requested **\$9,710**; recommended **\$9,710**.
- SAIL: requested **\$8,240**; recommended **\$8,240**.
- AWARE, Inc: requested **\$8,175**; recommended **\$8,175**.

- Resurrection Lutheran Church: requested **\$20,000**; recommended **\$0**.

Mr. Anderson stated that everyone was awarded what requested except one group, Girl Scouts, as they were not as organized as previous years. Resurrection Lutheran Church was not funded, as grant application was not accurate, incomplete, unorganized and missing important pieces of application questions/requirements.

Ms. Potter stated the Resurrection Lutheran Church application was invalid as it was missing number of youth, participant hours and cost per participant. Many questions were also not completed as required in application.

Ms. Bonita stated the Resurrection Lutheran Church group did not fill out the application correctly per directions and were missing the three most important priorities to score the grant; number of hours, cost per participant and number of youth.

Ms. Potter makes motion to fund first attempt recommendations for Academic group at \$53,699. No objections. Motion passes.

Motion by Mr. Rutecki to fund first attempt recommendations for Sports group at \$167,414. No objections. Motion passes

b. YAB FY22 Finance Meeting YAB recommendations -

Mr. Pusich stated that the YAB grant recommendations and memo would be presented to Finance Department to add to agenda for meetings that are held on Wednesdays in month of May as part of CBJ budget process. Mr. Pusich also stated that funding letters are sent to all grant applicants informing them of the YAB award once Assembly approves the FY22 budget.

VII. Liaison Reports

- a. JAHC – No report.
- b. PRAC – Last PRAC meeting canceled so no report from Mr. Anderson.

VIII. Board Comments -

Mr. Anderson commented that the grant scoring process was time consuming and would be nice to have comparison to other group's methods. This was a good learning experience. Would be nice to work on a scoresheet that folks could just fill in the cells with data.

Ms. Nelson commented that she has a few things to present to board at next meeting. We should be able to come up with scoring form that is more automated to fill in blanks for scoring of grants.

Mr. Rutecki thanked everyone for all their work on scoring grants. Board typically we meet with groups at HS Commons which is beneficial to help clarify questions, so will be good to get back to that process again.
