H. AGENDA TOPICS

2. Draft FY2027 CBJ Legislative Capital Priorities List - Presented by E/PW Director Denise Koch

All CBJ boards and commissions are invited to provide input on their top two projects that they would like to see on the list. They can submit formal support or input on existing projects and project priorities and/or nominate a new project(s). Input may also include recommendations to remove an existing project from this list. The information that your board or commission provides will be considered by the Assembly as they prioritize the list for the next fiscal year.

Staff requests the SRRC review the projects and be prepared to have a discussion and recommended motion on which projects to recommend, if any. Due to changed timelines, this list will not come before the SRRC a second time as it has done the previous two years.
