I. MONEY

Board members serve on a volunteer basis without compensation except for the Planning Commission, Bartlett Regional Hospital Board, and the Board of Equalization; those members receive small stipends.

Please note there are now two tracks as outlined below for funding board work and boards should choose one or the other but not both.

The Assembly has a small amount budgeted for use by boards who do not wish to engage in fundraising in carrying out their mission upon request to the Clerk's Office on a first come, first served basis. Applications for funds are available in the Clerk's Office. Funds to advisory groups must be used in a manner consistent with the mission statement as defined in the establishing ordinance or resolution. No authorization of funds in excess of \$500 in one fiscal year may be made to a single group without approval by the Assembly.

ADVISORY BOARD FUNDRAISING:

Please contact the Clerk's Office for additional information and the necessary forms ***before*** conducting any fundraising activities or incurring any expenses. **Advisory boards and committees are authorized to solicit or otherwise receive:**

- Cash donations, up to a maximum of \$250 for any single donation.
- In-kind contributions such as food for a public event, or a donation of the use of a meeting facility, are permitted with no cap on the value.
- These donations are to be used for events or materials directly related to the board's or committee's charter. In the case of cash donations, the cash would be deposited in a CBJ treasury account. The expenditure of these funds would generally occur via the Clerk's Office purchasing card. It would be the responsibility of the board to track the amount of donations and expenditures. The donations raised would need to be expended or encumbered in the year collected.

This fundraising policy for boards does not extend to any of the adjudicatory bodies or any of the empowered boards which have a budget, manager, and staff nor to grant making/awarding bodies.

DRAFT RESOLUTION TO: INCREASE ENGAGEMENT IN CBJ BOARDS, COMMITTEES, and COMMISSIONS

Resolution to implement practices within the City and Borough of Juneau (CBJ) designed to increase civic engagement in CBJ boards, committees, and commissions.

1. Whereas, civic engagement is a fundamental tenant of a democracy and contributes to vibrancy within a community;
 2. Whereas, a review of the CBJ boards updated on 1/6/25 identifies 33 current vacancies on the 26 CBJ boards, committees, and commissions;
 3. Whereas, CBJ boards, committees, and commissions play an essential role of advising local government and informing the decision-making process;
 4. Whereas, employers that allow employees to serve on CBJ boards, committees, and commissions during work hours fosters a culture of civic responsibility, community involvement, and professional development among employees;
 5. Whereas, employers that support such participation benefit from increased community ties, and a reputation for corporate social responsibility;
 6. Whereas, the commitment to public service can enhance the skills and experiences of employees, thus indirectly contributing to the growth and improvement of the employer organization itself.
- A. Therefore, Be It Resolved, that CBJ will explore implementing practices that would encourage participation on boards, committees, and commissions, such as:
1. Establishing clear and consistent funding for CBJ boards, committees, and commissions;
 2. Identifying and communicating tangible and intangible benefits for members;
 3. Establishing a process to make invitations to individuals from underrepresented groups;
 4. Increasing the online presence with current information for the various boards, committees, and commissions;
 5. Developing a media campaign to talk about the advantages and opportunities to be involved in the various boards, committees, and commissions;
- B. Be It Further Resolved, that CBJ will encourage employers to develop and implement policies that allow employees to participate in CBJ boards, committees, and commissions during work hours;
- C. Be It Further Resolved, that such participation should be coordinated transparently between the employees and their supervisors to ensure duties are met while promoting civic engagement;
- D. Be It Further Resolved, that CBJ will provide training and resources to prepare citizens for effective and meaningful contributions on CBJ boards, committees, and commissions;
- E. Be It Further Resolved, that CBJ will recognize and promote organizations that encourage employee involvement with local boards, committees, and commissions as exemplars of community engagement.

Adopted this [DATE] by [THE CITY AND BOROUGH OF JUNEAU] as a commitment to fostering active community service and civic participation among its members.
