Larry Talley, a Flats resident, asked the Assembly to winterize the Telephone Hill buildings to preserve options and advocated for Concept D as a more community-supported alternative.

John Ingalls, a former Telephone Hill resident, emphasized the historic and neighborhood value of Telephone Hill, supported restoring existing structures, and encouraged adding housing while preserving character.

H. CONSENT AGENDA

1. **Public Request for Consent Agenda Changes Other Than Ordinances for Introduction** - None
2. **Assembly Request for Consent Agenda Changes** - None
3. **Assembly Action**

MOTION by Ms. Hughes-Skandijs to adopt the Consent Agenda as amended and asked for unanimous consent. ***Hearing no objection, the motion was adopted by unanimous consent.***

A) Ordinances for Introduction

1) Ordinance 2025-43 An Ordinance Authorizing the Manager to Lease an 8.0 Acre Fraction of the Parcel of Land near 10020 Crazy Horse Drive at a Reduced Rate to Juneau Animal Rescue for the Purpose of Operating an Animal Shelter.

Juneau Animal Rescue (JAR) submitted a proposal to lease an 8.00-acre fraction of the CBJ parcel located at 10020 Crazy Horse Drive for less than fair market value, for the purpose of constructing and operating a new permanent animal shelter. CBJC 53.09.270(b) authorizes the lease of CBJ land “to a private, nonprofit corporation at less than the market value provided the disposal is approved by the assembly by ordinance, and the interest in land or

resource is to be used solely for the purpose of providing a service to the public which is supplemental to a governmental service…" The fair market value lease rate has been determined to be $3,000 per month, and the proposed lease rate shall be $10.00 per year with a term of 35 years.
The Lands Housing and Economic Development (LHED) Committee reviewed this application at the January 27, 2025, meeting and passed a motion of support for granting this lease.
The CBJ Assembly reviewed the proposal and passed a motion of support at its Regular Assembly Meeting on July 28, 2025.
The City Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

2) **Ordinance 2024-01(b)(BC) An Ordinance Appropriating $1,316,554 to the Manager for the City and Borough of Juneau's Fiscal Year 2025 Operating Costs; Funding Provided by Various Sources.**

This ordinance appropriates $1,316,554 for the City and Borough of Juneau's FY2025 operating costs. The following funds require supplemental budget authority in FY2025:

Risk Management: this ordinance appropriates $1,298,432 of Risk Management funds for health insurance claims that exceeded budget estimates.

Pandemic Response: this ordinance provides budget authority to transfer residual funds of $14,077 from the Pandemic Response Fund to the General Fund. This final housekeeping transfer closes the Pandemic Response Fund.

Downtown Parking: this ordinance appropriates $2,510 for the purchase and installation of cameras at the Downtown Parking Center that exceeded budget estimates. This expense is funded by greater than anticipated parking revenue.

Capital Projects: this ordinance provides budget authority to transfer $1,535 of general funds from the Parks and Recreation Capital Improvement Projects Fund to the General Fund. This is a housekeeping transfer that corrects a historical accounting entry.
The City Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

3) **Ordinance 2025-42 An Ordinance Amending the Comprehensive Plan by Adopting the Downtown Douglas/West Juneau Area Plan.**

On August 12, 2025, the Planning Commission recommended that the City and Borough Assembly adopt the Downtown Douglas / West Juneau Area Plan as an addendum to the CBJ Comprehensive Plan. The Commission added the following recommendations:

- Plan p. 7: Delete the first paragraph under "Downtown Douglas. The current wording seems to indicate a historical record, but does not discuss Alaska Native stewardship.
- Plan p. 25: Delete Action C under Goal 4.2, as the transfer of Mayflower Island to DIA is underway and this goal was written prior to the Assembly's stated intent to transfer.

- Plan p. 27: Move content to follow "Equity" language on p. 4 to better reflect the equity discussion in the context of Alaska Native land use.
- Plan p. 29: Delete Goal 5.3 and Action A to ensure these parcels are treated the same as any parcel in the CBJ in terms of land use and regulation.
- Appendices: Delete four "Steering Committee Mapping Exercise" maps.
- Appendices: Move Traffic Calming graphics to follow p. 11, Goal 1.2, and remove street names.

On November 3, 2025, the Assembly Lands, Housing, and Economic Development Committee discussed the recommendations and favorably moved the Downtown Douglas / West Juneau Area Plan to the full Assembly for consideration and adoption into the Comprehensive Plan. **The City Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.**

B) Resolutions

1) Resolution 4031 A Resolution Supporting the Juneau Coordinated Transportation Coalition's Prioritization of Projects for Grant Funding by the Alaska Department of Transportation & Public Facilities.

On August 28, 2025, the Juneau Coordinated Transportation Coalition (JCTC) met and reviewed nominations for funding for the FY2025 Alaska Department of Transportation Human Services Transportation Service Grant. To be considered for grant funding, each community must prioritize their projects and that priority list must be endorsed by motion or resolution by the local municipal government.

This year SAIL requests capital for a replacement ADA vehicle for its SAIL/ORCA program. The request is for $95,700.
JCTC made a recommendation to the CBJ Public Works and Facilities Committee (PWFC) to make the replacement ADA vehicle for the SAIL/ORCA program the top priority for the grant program.

The PWFC, at their September 8, 2025, regular meeting, voted to forward a Resolution of support for the SAIL application to the full Assembly.

Upon approval, the resolution would serve as an addendum to the CBJ 2020 Juneau Coordinated Human Services Transportation Plan.
The City Manager recommends the Assembly adopt this Resolution.

C) Liquor/Marijuana Licenses

These liquor and marijuana license actions are before the Assembly to either protest or waive its right to protest the license actions.
Marijuana License — Renewal
Licensee: Alaskan Coffee Pot LLC d/b/a Alaskan Coffee Pot
License Type: Retail Marijuana Store License: #25190 Location: 159 S. Franklin St. Juneau AK 99801

Clerk Note: The CBJ Finance Department has removed their protest because the licensee has paid their account balance in full. This item was moved from New Business to the Consent Agenda.

D) Bid Awards

1) Bid Award - Statter Harbor Breakwater Geotechnical Investigation (DH26-007)

Bids opened for the subject project [DH26-007] on October 28, 2025. The bid protest period expired at 4:30 p.m. October 29, 2025. Results of the bid opening are:

BIDDERS	BASE BID	ADDITIVE ITEMS	TOTAL BID
Discovery Drilling Inc.	$557,110	$882,868	$1,439,978
Engineer Estimate	$680,000	$1,444,000	$2,124,000

This contract is in support of the US Army Corps of Engineer's feasibility engineering study to replace the existing Statter Harbor breakwater. The project requires a qualified geotechnical driller to collect subsurface soils to depths of 100 feet below mudline in 150 feet of water in Auke Bay. The Contractor is to provide geotechnical drilling and sampling equipment for 2 borings in the base bid with the additive items providing the option of up to 6 borings in total.

The Docks & Harbors Board reviewed and recommended bid award at its October 30, 2025 regular Board meeting.

The City Manager recommends the Assembly approve DH26-007 (Statter Harbor Breakwater Geotechnical Investigation) award to Discovery Drilling Inc. for $1,439,978. Funding is provided by Harbors Enterprise.

E) Transfers

1) Transfer Request 2605 A Transfer of $2,360,000 from Various CIPs to CIP R72-187 Blackerby Subdivision Reconstruction.

This request would transfer $2,360,000 from various CIPs to a new CIP Blackerby Subdivision. The waterline in the subdivision is severely corroded and has the potential for catastrophic failure. The line has a significant repair history, most recently experiencing two breaks in a one-week period in October. This transfer would provide for the replacement of the failing waterline while simultaneously rebuilding the aged roadway infrastructure. Due to the severity of this project, the goal is to begin work in the spring. All other projects transferring funds will retain sufficient funding for currently scheduled project work.

The Public Works and Facilities Committee reviewed this request at its November 3, 2025 meeting.

The Manager recommends approval of this transfer.

I. PUBLIC HEARING

1. **Ordinance 2025-13(c) An Ordinance Amending the Election Procedures: Ranked Choice Voting.**

   Assemblymember Adkison proposed this ordinance to implement ranked choice voting for CBJ elections. This ordinance was reviewed by the Assembly Human Resources Committee at its March 3rd meeting and forwarded to the Assembly Committee of the Whole.    The City Manager recommends the Assembly take public testimony and adopt this ordinance.

Public Comment:

Michael Riederer, a Juneau resident currently living out of state, encouraged the Assembly to consider accessibility improvements to ballots if ranked choice voting were adopted.

.

Frank Bergstrom, a Valley resident, opposed ranked choice voting, emphasizing one person, one vote.

   The Airport Board of Directors approved this ordinance at the October 9, 2025 meeting. The Systemic Racism Review Committee reviewed this ordinance at the October 28, 2025, meeting.
   The City Manager recommends the Assembly take public testimony and adopt this ordinance.

Public Comment - None

Assembly Action:

Mr. Brooks asked where the wetlands rescue vehicle would be stored, whether it would be docked in the water, and how deep of water it could operate in when responding to tidelands and wetlands emergencies. Airport Managers Delgado responded that the vehicle would be stored indoors, initially in the snow removal equipment building and later at the Glacier Fire Station, and that it is capable of floating and traversing ice, muskeg, and other difficult terrain.

Mr. Kelly asked how quickly the vehicle could be deployed in an emergency given its storage location. Mr. Delgado and Fire Chief Etheridge responded that the vehicle could be deployed very quickly and would be included in the initial ARFF (Airport Rescue and Firefighting) response.

Mayor Weldon asked whether ongoing maintenance and training overtime costs would be funded by the FAA (Federal Aviation Administration) or the airport budget. Mr. Delgado responded that the costs would be paid from the airport budget.

MOTION by Ms. Woll to adopt Ordinance 2025-01(b)(P).

OBJECTION by Mayor Weldon, citing concerns that the specialized equipment was not needed at this time based on her professional experience.

   The Airport Board of Directors approved this ordinance at the October 9, 2025 meeting. The Systemic Racism Review Committee reviewed this ordinance at the October 28, 2025, meeting. **The City Manager recommends the Assembly take public testimony and adopt this ordinance.**

Public Comment - None

Assembly Action:

Mr. Brooks asked how much time savings the new glycol recovery equipment would provide compared to the existing equipment. Airport Manager Delgado responded that the new vehicle would have a significantly wider sweep, allowing the work to be completed approximately four times faster than the current equipment.

Mr. Brooks asked a follow-up question regarding a comparison of annual operating costs between the new and existing equipment. Mr. Delgado responded that specific operating cost figures were not available, but noted the existing equipment is maintenance-intensive, frequently out of service, and can create safety concerns when debris accumulates on the airfield.

MOTION by Mr. Brooks to adopt Ordinance 2025-01(b)(Q) An Ordinance appropriating $1,097,875 for the motor grader and vacuum truck Capital Improvement Project at the airport. ***Hearing no objection, the motion passed by unanimous consent.***

J. UNFINISHED BUSINESS - None

K. NEW BUSINESS

1. Hardship and Senior Citizen/Disabled Veteran Late-Filed Real Property Tax Exemption Applications

There are **9** property owners that have requested the Assembly authorize the Assessor to consider a late-filed exemption for their property assessment. The Assembly should consider each request separately and determine whether the property owner was unable to comply with the April 30 filing requirement. A.S. 29.45.030(f); CBJC 69.10.021(d). The burden of proof is upon the property owner to show the inability to file a timely exemption request. If the Assembly decides to accept one or more late-filed exemption requests, those applications will be referred to the Assessor for review and action.

Clerk's Note: Due to the personal nature of the back-up documents, those will be provided to the Assemblymembers only.

The City Manager recommends the Assembly act on each of these applications individually.

MOTION by Ms. Hughes-Skandijs that the Assembly has received and considered individually the applicants for late-filed property tax exemptions, and moves to forward the list of applicants to the Assessor's Office for processing; and asked for unanimous consent. ***Hearing no objection, the motion was adopted by unanimous consent.***
