1. 2026-03-09 Assembly-HRC Minutes - Draft

F. AGENDA TOPICS

1. Systemic Racism Review Committee (SRRC) Appointment

This agenda topic was postponed until the Assembly HRC can discuss next steps for SRRC.

2. Resolution XXXX A Resolution Repealing and Reestablishing the Assembly Rules of Procedure.

This resolution was brought forward at the March 9, 2026 Assembly Human Resources Committee (HRC) by Assemblymember Brooks for discussion. There was a motion to keep this draft resolution in committee for discussion at a future HRC meeting.

Assemblymember Brooks spoke to his resolution recommendations, noting that allowing people in the community the opportunity and expectation to give public testimony at more of the meetings, while still caring for the Chair's ability to have public testimony provisions in place and maintain control over meetings. These changes would allow a baseline for the public

to have the assumption they can come and give testimony at just about any meeting would be good for rebuilding the public trust and spirit of transparency and make it easier for people to come and speak to their elected officials.

Assemblymember Hall commented that while she understood the reasons behind Assemblymember Brooks request to have as much engagement as we can with the public, and the opportunity for them to have face time with the Assembly, she reached out to former CBJ City Clerk, Beth McEwen for her insight. Ms. McEwen shared with Ms. Hall that work sessions are just that, a way for the Assembly to work on items or topics that are often not fully formed ideas yet and staff are looking to the Assembly for direction. Assemblymember Hall continued that before the Assembly invites public testimony, we should have something for them to actually weigh in on, and noted the other consideration was that most of our standing committee meetings are very time constrained due to holding them during the lunch hour or just prior to a Regular Assembly meeting or Committee of the Whole meeting which doesn't leave much time for the work needing to get done during the meeting and allowing enough time for public testimony. As Ms. Hall has stated before, there are already opportunities for the public to engage with the Assembly through emails, one on one meetings, calling us, and testifying during already scheduled public testimony at meetings.

Mayor Weldon appreciated Ms. Hall reaching out to Ms. McEwen, since she's definitely an expert in the field. Mayor Weldon stated that she had reached out to several mayors and noted that most communities do not have the standing committees that we have, however they do have work sessions. Those communities do not allow public comment unless specifically noticed, and they invite public comment on a topic. She said the Assembly currently does that as well at a committee chair's discretion. The Assembly also moves items from committee to an Assembly meeting for public comment, then back to a committee for additional work before moving back to an Assembly meeting for final action. So, instead of the current practice of allowing the Chair to call for public comment, the proposed changes would put the Chair in a position to have to say no to public comment, which doesn't seem fair to put that on the Chair. We are no different than other communities that don't allow time for public comment when the Assembly is trying to form an idea.

Assemblymember Brooks elaborated on the intention behind bringing these changes forward. Noting it is specifically in the instances where the Assembly is formulating an idea that he believed the Assembly owed it to the community to let the community have more of a part in those discussions. He said there are plenty of people in this community who are smarter, more capable, and who have contributed more to this community than all of us. Having the opportunity available for the public to speak is a best faith effort in trying to make meetings as inclusive, transparent, and led by the people as possible. The work sessions are definitely a great opportunity so, the intention isn't to overburden anyone or make it harder for us to do our jobs but to instead get input from our amazing and capable community, which will result in us, as the Assembly, being able to do a better job for them.

MOTION: by Assemblymember Brooks to forward Resolution xxxx to the full Assembly for public testimony and asked for unanimous consent.

Objection by Chair Kelly for the purposes of an amendment. Chair Kelly passed the gavel to Assemblymember Hall.

Amendment (1): by Chair Kelly to add the following language [on agenda items] pertaining to lines 155-157 of the draft resolution: except as set forth in *Rule 14, public testimony on agenda items will be provided for at standing committee meetings unless otherwise noticed by the chair of the committee at the time of packet publication or earlier.* **Hearing no objection, amendment 1 passed.**

Amendment (2): by Chair Kelly to strike and amend language within lines 330-339 of Resolution xxxx; striking A. *the hearing will be conducted by the Mayor as chair;* and for B. through I. replacing the word 'Mayor' with 'Chair' and the word 'Assembly' with 'body'.

There were objections for purposes of clarification and comments related to whether this section was specifically referencing regular Assembly meetings or committees in general.

Objections were removed and **Amendment 2 passed with unanimous consent.**

Amendment (3): by Chair Kelly related to lines 434-436 of Resolution xxxx, adding the following language to B. *A time for public testimony on agenda items will be provided for at all standing committee meetings listed in Rule 5 unless noticed otherwise by the chair of the committee at the time of packet publication, or earlier. The time limit for public comment at committee meetings will be two minutes per person, unless extended by a majority of the body.*

Amendment 3 passed as amended.

Discussion by committee members regarding defining allowable time for public testimony.

Amendment to Amendment (3): by Assemblymember Woll to change the last sentence of the amendment to say *The time limit for public comment at committee meetings will be 10 minutes, unless extended by a majority of the body.* **The Amendment to Amendment 3 passed with unanimous consent.**

MAIN MOTION: by Assemblymember Brooks to forward Resolution xxxx to the full Assembly for public testimony. **Motion passed as amended.**

3. Resolution 2686 Advisory Board Rules of Procedure — Updating Language on Serving Past Term End Date

Staff recommendations will be added to the packet as supplemental material by Monday morning 4/6.

Excerpt from Clerk's April 6, 2026 Memo

STAFF RECOMMENDATION

Clerk staff recommends adding the following (or similar) language to the Assembly Rules of Procedure Resolution under:

Rule 5 COMMITTEES – C. Human Resources Committee

Using (d) or (e) reserved:

In the event of an unexpected resignation, removal, or vacancy on an Empowered Board, the Assembly may appoint a replacement member from either a recent applicant pool or former boardmember. Applicants interviewed by the Full Assembly sitting as the HRC, within six (6) months of being interviewed will be part of a candidate list the Assembly may choose to pull from and appoint to the vacated seat for either a specific timeframe or until which time the Full Assembly meets to make annual appointments to that board. If there are no interested or suitable candidates from this pool, the Assembly may consider appointing a former boardmember to serve until the annual appointments for that board are completed. Review of previous candidates or former boardmembers would be discussed during a regular or special Assembly meeting under executive session, with the Assembly returning to open session to make the appointment(s).

MOTION: by Assemblymember Woll to direct staff to bring back a resolution that would change the Assembly Rules of Procedure based on the recommended language in staff's memo included in the HRC packet and bring that resolution to the full Assembly for review. ***Hearing no objection, motion passed.***

G. STAFF REPORTS

1. Setting Tentative Dates for Empowered Board Interviews/Appointments

Recommend looking at June 10-11 as possible dates to hold interviews and appointments for the Airport, Docks & Harbors, and Eaglecrest Boards.

Committee members had no conflicts with June 10th or 11th to look at holding Empowered Board interviews and appointments. Chair Kelly will bring those two dates forward to the full Assembly for final determination. Dates may need to be adjusted by one week if the application deadline needs to get extended due to a low number of applications.

MEMORANDUM

DATE: April 10, 2026
TO: Paul Kelly, HRC Chair
FROM: Emily Wright, City Attorney
SUBJECT: Ordinance 2026-11

LAW DEPARTMENT
155 Heritage Way
Juneau, AK 99801
Ph: (907) 586-5242
Fax: (907) 586-4567

On April 6, 2026, Ordinance 2026-11 was reviewed by the Assembly and referred to the HRC. During the meeting, Assembly members posed several legal questions which are addressed below.

Ordinance 2026-11 adds protections for first responders similar to those protections already provided for police officers and enforcement agents. The ordinance adds:

It is unlawful for any person to in any manner interfere with the fire department or any member thereof when engaged in the discharge of the member's official duties, nor interfere with or tamper with any apparatus, hydrant, equipment, or object used in connection with the fire department, the extinguishment of fires, or response to an accident or medical emergency. (Class A Misdemeanor).

Under CBJ code 42.05.020, the mental state which is required to be found guilty of this crime is "knowingly." Knowingly is defined as:

A person acts "knowingly" with respect to conduct or to a circumstance described by a provision of law defining an offense when the person is aware that the conduct is of that nature or that the circumstance exists; when knowledge of the existence of a particular fact is an element of an offense, that knowledge is established if a person is aware of a substantial probability of its existence, unless the person actually believes it does not exist; a person who is unaware of conduct or a circumstance of which the person would have been aware had that person not been intoxicated acts knowingly with respect to that conduct or circumstance. (CBJ Code 42.05.010).

Currently the CBJ can file criminal charges under the Disorderly Conduct provisions, which state, "At the scene of a fire or accident or in a public place where a crime has occurred, fail to comply with the lawful order of a peace or fire officer to leave the scene or place." (CBJ 42.20.090 – Class B Misdemeanor).

Other Laws:

State Law, Alaska Statute 18.08.075

(b) A person who knowingly refuses to comply with an order of an emergency medical technician or mobile intensive care paramedic authorized under (a) of this section is, upon conviction, guilty of a class B misdemeanor. In this subsection, "knowingly" has the meaning given in AS 11.81.900(a).

Anchorage

08.30.010 (Class B Misdemeanor)

- The person intentionally, recklessly or knowingly resists, obstructs or interferes with the lawful efforts of any firefighter or paramedic in the discharge or attempted discharge of an official duty;
- The person intentionally, recklessly or knowingly disobeys the lawful orders of any public officer;
- The person intentionally or recklessly engages in conduct which delays or prevents a fire from being timely extinguished or emergency services from being provided.

Cordova

Any person who in any way interferes with the fire department or any member of it when engaged in the discharge of his duty, or interferes with or tampers with any of the apparatus of the fire department or any hydrant or other thing used in connection with the extinguishment of fires, is guilty of a misdemeanor.

MEMORANDUM

TO: Assembly Human Resources Committee
FROM: Derek Bos, Chief of Police
DATE: May 12, 2026
RE: Review of JPD Action Items – May 2026

May 2026 Update: Updates and highlights

Action Item: Community Dialogue and Engagement Update

In conjunction with Tlingit and Haida, we are exploring having a facilitated community discussion, or discussions, and trying to establish what that should look like. Planning for this discussion requires significant finesse, care and compassion to ensure that this will be a healthy, healing, and productive dialogue for all involved. This is perhaps the most complex element of our community engagement process, as we are sailing in uncharted waters. Again, this highlights the dedication and commitment to our community.

- Response / Implementation: Participation in the Missing, Murdered, Indigenous Persons Event May 6th, 2026.
- Challenges or Changes: Challenge was finding the appropriate starting point for the community dialogues. We want to be careful to ensure that these dialogues remain healthy and productive, focusing on relationships, partnerships, and long-term trust
- Sustainment: JPD's participation in this event was a good opportunity for bridge building, open dialogue, through a facilitated discussion. This event was a great foundation for future dialogue; we are looking forward to continued engagement at future events.

Action Item: Tlingit / Haida specific partnerships

We continue to work with Tlingit and Haida to find ways to enhance our partnerships and grow our relationship. From both sides, this is an educational and growth filled journey. We are working to develop a training curriculum

"In partnership with the people of Juneau, our mission is to make our city a place where people can live safely and without fear.

specific to law enforcement, to better help JPD understand the Tlingit and Haida people, while continuing to promote personal relationships in the process. While this is still under development, the commitment from both sides has already proven that we each value this partnership.

- Response / Implementation: specific partnerships with Tlingit and Haida regarding MMIP Investigations
- Challenges or Changes: The MMIP crisis is of significant concern to our Tlingit and Haida neighbors. To that end, JPD is committed to improving our response and support in this specific arena to family members of Native Alaska's who have a missing or murdered loved one.
- Sustainment: Formalize these relationships through the appropriate MOU's or IGAs, etc. JPD policy, practice, and culture change to ensure that missing persons cases are prioritized, thoroughly investigated, and families are fully supported through the process.

Action Item: ABLE Program update

We continue to move forward with implementing the Active Bystandership for Law Enforcement (ABLE) program. The backbone of the ABLE program is to enable officers to intervene, and accept intervention, to prevent officer misconduct of any type, prevent career ending mistakes, and promote officer wellness and health. We continue our forward process and anticipate being fully up and running with the ABLE program in January / February 2026. This will be an on-going commitment, requiring all officers complete annual recertifications in the program. I have witnessed, first-hand, the strength of the ABLE program and am excited, not only for the implementation of the program at JPD, but to be the first law enforcement agency in Alaska to adopt this vital program.

- Response / Implementation: We are back on track for full implementation after initial delay due to the ABLE program canceling the instructor class that we were scheduled to attend. We are taking this one step further than initially program recommendation and are training all staff (not just officers) in the ABLE program.
- Challenges or Changes: Challenge was the delay in roll-out due to the ABLE program canceling the instructor course that our officers were scheduled to attend. Changes: Essentially the only change here is the implementation of the program was pushed back.
- Sustainment: Training for new JPD staff will be included as part of their onboarding process; existing staff must complete an annual refresher course. JPD is the first, and at present the only, law enforcement department in Alaska that is part of the ABLE program

Action Item: Policy Guidance, one step further

As we review our department arrest control training, tactics, and policies, we very quickly identified that there are tactics and techniques that our officers learn while at the Basic Training Academy that do not align with our expectations and policies as a department. We are actively developing plans to address this disparity through internal training, both before and after officers attend the basic academy. We are also working to provide better clarity through policy for our staff.

In looking at this incident, it is easy to focus only on those specific policies that relate to officer use of force, but we are taking a broader review of related policies to see if there are gaps or clarifications needed. This is a good time to point out that we are an accredited police department; gaps and clarifications should be minimal.

- Response / Implementation: Exploring an alternative policy path by looking at implementing the Lexipol policy platform.
- Challenges or Changes: JPD currently has good, strong policies, as evidenced by being accredited by the Northwest Accrediting Alliance (NWAA). However, the burden of policy management and legal updates is significant. We have been exploring ways to ensure that our policies remain current, in line with existing law and best practices. To that end, we are exploring switching to the Lexipol policy management system
- Sustainment: Lexipol policy includes daily training elements for all staff to complete to ensure policy knowledge and understanding

RE: Systemic Racism Review Committee (SRRC)

The Systemic Racism Review Committee is scheduled to sunset per [Ordinance 2023-20\(b\)](#) on August 31, 2026. That ordinance proscribed a time for SRRC to report back to the Assembly, which occurred at Centennial Hall at the December 15, 2025, [joint Assembly HRC/SRRC meeting](#). Minutes from that meeting have been included in the HRC packet along with Ordinance 2023-20(b) which includes the SRRC's charge.

The Assembly HRC options are:

1. Discuss and/or seek additional information on the work of the SRRC and determine if the committee wishes to make a proposal to the full body regarding the SRRC.
2. Introduce legislation changing any element of Ordinance 2023-20(b).
3. No action – SRRC sunsets.

Recommendation:

This policy decision rests with the Assembly.

ORDINANCE OF THE CITY AND BOROUGH OF JUNEAU, ALASKA

Serial No. 2023-20(b)

An Ordinance Amending the Duties of the Systemic Racism Review Committee.

WHEREAS, discrimination based on race in institutional policies leads to systemic racism; and

WHEREAS, systemic racism creates disparities in the social and civic fabric of a community through legislation related to all aspects of society, including but not limited to education, criminal justice, employment, elections, housing, and political power; and

WHEREAS, systemic racism includes policies and practices that exist throughout a whole society or organization, including historical actions and practices, and that result in and support a continued unfair advantage to some people and unfair or harmful treatment of others based on race; and

WHEREAS, systemic racism is as overt and covert as individual racism and it has similar emotional, economic, physical, and liberty consequences though it may be harder for individuals to see even when revealed in disparities and data; and

WHEREAS, systemic racism is similar to disparate impact discrimination, which is generally defined as a facially neutral act, practice, or policy that has a significant discriminatory impact on a protected group; and

WHEREAS, the residents of Juneau and the Assembly benefit from having a systemic racism review committee that works with the Assembly to address systemic racism, including reviewing policies and procedures and reviewing legislation prior to public hearing and making recommendations to the Assembly; and

WHEREAS, the Assembly encourages racially diverse individuals to apply and encourages racial minority groups to nominate individuals to help advise the Assembly.

THEREFORE BE IT ENACTED BY THE ASSEMBLY OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

(a) **Establishment.** There is established a Systemic Racism Review Committee consisting of seven individuals.

- (1) The Assembly shall appoint members of the Committee to staggered three-year terms. Members of the Committee shall serve at the pleasure of the Assembly. Terms shall commence on July 1. Appointments to fill vacancies shall be for the unexpired term. In the event a seat has six months or less remaining to the unexpired term, the Assembly, at its discretion, may choose to appoint the member to the remainder of the current term as well as to the full term immediately following the expiration date of the unexpired term. No member who has served for three consecutive terms or nine years shall again be eligible for appointment until one full year has intervened, provided, however, that this restriction shall not apply if there are no other qualified applicants at the time reappointment is considered by the Assembly.
- (2) Members shall be selected to provide the most balanced representation possible. Members shall have experience identifying unlawful discrimination—including based on race, color, or national origin—experience identifying social justice inequity, or intimate knowledge of local cultures and practices, including tribal culture and practices.

(b) **Duties.** The Committee is charged with:

- (1) Developing criteria to advise whether legislation, policies, or procedures likely include systemic racism implications. The Committee must present proposed review criteria to the Assembly before substantively reviewing policies, procedures, or legislation.
- (2) Reviewing legislation, selected at the discretion of the Committee to advise whether the ordinance likely includes a systemic racism policy or implication.
- (3) Reviewing current policies, selected at the discretion of the Committee, to advise whether the policies likely perpetuate systemic racism.
- (4) Reviewing current procedures, selected at the discretion of the Committee, to advise whether the procedures likely perpetuate systemic racism.
- (5) Presenting options for curing the potential or likely systemic racism or implications.
- (6) Presenting the Committee's analysis and conclusions timely to the Assembly in a short statement for each item of legislation.
- (7) Meeting with the Assembly in a joint meeting at least once a calendar year.

- (c) **Procedure.** The Committee’s procedure shall be governed by the Advisory Board Rules of Procedure, as such may be amended from time to time. Nothing in this Ordinance shall be read to preclude the Assembly from acting upon emergency ordinances and resolutions.
- (d) **Officers, Meetings, and Quorum.** In accordance with the Advisory Board Rules of Procedure, the Committee shall select its own officers, and shall hold regular meetings on a schedule established by the Committee, as well as such special meetings as required to conduct business. The presence of four members constitutes a quorum and any action of the Committee requires four or more affirmative votes to be approved.
- (e) **Staff Assistance.** Staff support to the Committee shall be provided by the City Manager, or designee, as available and appropriate.
- (f) **Legislation Procedure.** The Committee should meet and send the legislative report to the Manager at least six days before the Assembly meeting (i.e. Wednesday for a Monday meeting). However, legislation may be scheduled for public hearing and the Assembly may adopt legislation that has not been reviewed by the Committee. If the Assembly adopts legislation before the Committee has reviewed it, the Committee should review the adopted legislation as soon as possible.

Section 3. Sunset Clause. The Committee created by Section 2 shall cease to exist and the provisions of Section 2 shall automatically terminate August 31, 2026, unless the Assembly extends the Committee to exist until disbanded by the Assembly. In a joint meeting prior to December 31, 2025, the Committee and the Assembly shall review the Committee’s work product to date and the provisions of this ordinance to determine if any changes are necessary.

E. AGENDA TOPICS

1. Joint Discussion with Systemic Racism Review Committee

HRC Chair Kelly opened the discussion with introductions by the Assembly and SRRC members; then asked SRRC members how they see their roles and what they need to be more effective.

SRRC Chair Froehlich, thanked the Assembly and stated there is a need for this committee and the work it does. While it's hard to find systemic racism through individual ordinances, the SRRC has been able to flag concerns when they see them and forward those concerns to the

Assembly. With the expansion of the committee's charge, the SRRC has been trying to focus on broader topics such as board recruitment and diversity best practices. However, the committee has had their own struggles with retaining members.

Ms. Morato and Ms. Pemberton both stated that transparency is key, and the committee is interested in looking at past CBJ hiring practices once it completes its work on the board's and committee's topic. Mr. Nance shared that he would like to see more participation from the community in local government and hoped the new communications team would help with that. He thanked staff for all the work they do to support the SRRC.

At the request of Ms. Hall for any information such as books or websites relating to systemic issues that would be helpful to the Assembly, SRRC Chair Froehlich offered to pull some resources together to share with Assemblymembers.

Mr. Smith asked how the roles of the Systemic Racism Review Committee intertwine with the work of the Juneau Human Rights Commission. SRRC Chair Froehlich noted that he and JHRC Chair, Haifa Foroughi, have discussed future collaboration opportunities. He acknowledged there were similarities in each committee's work. However, he cited that the committees have different charges, with JHRC taking a more macro-scale approach and the SRRC taking a more targeted level approach when flagging issues observed within CBJ.

Mr. Brooks asked what the most unexpected issue was they've come across as a committee so far. SRRC Chair Froehlich appreciated the work, discussions and recommendations the committee brought forward to the Assembly and CBJ staff this year related to the proposed misconduct ordinance. Thanks to those discussions, along with concerns voiced from the community and the Assembly, that ordinance was tabled indefinitely. Ms. Pemberton responded that it was the small stuff that gets overlooked vs. something overtly racist. The committee has trained itself well to look for those blind spots and be the scrutiny to represent those that aren't being represented. Ms. Morato added that the committee looks at who would benefit and who would be hurt by CBJ policies, and the importance of continued outreach to the underrepresented.

Mr. Steininger thanked the committee for working on recruitment recommendations for boards and was looking forward to being the Assembly liaison to the SRRC during the next year.

Re: Update to CBJ Personnel Rules in Draft Resolution 4047

The changes in draft Resolution 4047 and the attached CBJ Personnel Rules can be characterized as housekeeping changes. Below is a summary of the two changes in the proposed Resolution 4047 and CBJ Personnel Rules:

- 1. Addressing Pay for Unrepresented Sworn Officers.** This revision of the Personnel Rules involves changing the pay schedule for FY26 for management-level sworn officers at the Juneau Police Department (JPD) from a 3% increase to a 5% increase in pay, effective on May 18, 2026. This change impacts the Commander, Deputy Police Chief, and Chief of Police job classifications and avoids pay compression with the recent 5% sworn officer union pay increase.
- 2. Updated Personnel Rules for Battalion Chiefs.** The proposed changes in the Personnel Rules are related to work rules for a new job classification at CCFR, Battalion Chiefs. These changes are necessary because these new positions are not in the bargaining unit, so the union contract doesn't apply, but these management positions work 24-hour shifts.

The costs associated with these changes in FY26 are minor and can be incorporated into the previously approved FY26 budget.

Recommended Action

The Manager's Office recommends that the Human Resources Committee recommend Assembly approval of the proposed changes to the CBJ Personnel Rules. Subject to the HRC's recommendation at its meeting earlier that evening, the proposed changes and accompanying resolution have been tentatively scheduled for consideration on the consent agenda for the May 18, 2026 Assembly meeting.

For the purposes of this rule, exceptionally qualified shall be defined as education or work experience that exceeds the minimum qualifications for the position and job class.

(b) The City Manager may authorize advance step placements for a specific job classification when recruitment is exceedingly difficult. (3) If the current pay rate exceeds the maximum of the lower range:

(B) If the frozen rate continues to exceed the assigned range after the passage of 24 months, the employee is placed in the maximum step of the range and the pay rate reduced, at which time the employee shall be paid a lump sum equal to the difference between the value of the employee's accumulated leave calculated at the former rate of pay and the value calculated at the new rate of pay. The employee shall serve a new probationary period and establish a new merit anniversary.

(c) An employee who undergoes a voluntary demotion shall be paid a lump sum equal to the difference between the value of the employee's accumulated leave calculated at the former rate of pay and the value calculated at the new rate of pay. (*Res. No. 1961, 1998*)

10 PR 060. Transferred Employee.

(a) The merit anniversary and step placement of an employee transferred with no change in job classification will not change due to the transfer.

A supervisor may grant parent-teacher conference leave only in advance upon presentation by the employee of written verification of the date and time of the conference and a written finding by the supervisor that the leave can be accommodated without imposing added cost or inefficiencies in the work place. (e) Eligible employees will receive a maximum of six (6) weeks of paid parental leave per birth, adoption, or placement of a child/children. The fact that a multiple birth, adoption, or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the six-week total amount of paid parental leave granted for that event. Additionally, in no case will an employee receive more than six (6) weeks of paid parental leave in a rolling, 12-month period, regardless of whether more than one birth, adoption, or foster care placement event occurs within that 12-month timeframe. If both parents and/or legal guardians are CBJ employees who meet the eligibility criteria, one employee shall be identified as the designated employee to take parental leave by the employees and only that designated employee shall be eligible for paid parental leave

under this rule. If the impacted employees are unable to agree on the designated employee, then the paid parental leave shall be split evenly between the two eligible employees.

(f) Each week of paid parental leave is compensated at the employee's regular, straight-time weekly pay or equivalent weekly salary and will be paid on the biweekly pay schedule.

(g) Employees must take paid parental leave in one continuous period of leave for the employee's entire work schedule. Intermittent paid parental leave is not permitted. Approved paid parental leave may be taken at any time during the six-month period immediately following the qualifying event and may not be used or extended beyond this six-month timeframe. Paid parental leave has no cash value and unused paid parental leave will be forfeited at the end of the six-month timeframe. Upon termination of employment with the CBJ, the employee will not be paid for any unused paid parental leave for which the employee was eligible.

An employee shall request paid parental leave on a CBJ-provided form. (*Res. No. 3029(am), 2023*)

RULE 14
REDUCTION IN WORK FORCE

Section

005. Scope

015. Layoff

020. Criteria

025. Methodology

030. Notification

035. Layoff Rights

040. Employee Obligations

(Res. No. 1900, 1997)

14 PR 005. Scope.

This rule covers separation of employees in the classified service due to a reduction in the number of positions in a particular classification.

14 PR 015. Layoff.

(a) The City Manager may lay off a permanent or probationary employee by reason of abolition of position, shortage of work or funds or other reasons outside the employee's control. A layoff does not reflect discredit on the service of the employee. *(Res. No. 2370, 2006; 2740, 2016)*

14 PR 020. Criteria.

(a) Layoff will be by classification across all departments with exceptions for bona fide occupational specialties which are consistent with job practices and the position description and as outlined in 14 PR 020(b).

(b) When a loss of grant funding results in a shortage of funds for a grant-funded position, the employee in the impacted position shall be subject to layoff.
(Res. No. 2370, 2006; 2740, 2016; 4028, 2025)

14 PR 025. Order of Layoff.

(a) No permanent or probationary employee may be laid off while there are emergency or temporary employees serving in the same classification.

(b) Probationary employees will be laid off prior to permanent employees. An employee who is probationary as the result of a promotion, transfer, or change in occupation and who held permanent status in the previous classification retains rights as a permanent employee in the previous classification when there has been no break in service.

(c) Once the pool is reduced to only permanent employees, the position status of the eliminated position will affect the order of layoff. The reduction of a non-benefited position will not impact

current benefited employees until all non-benefited employees in the pool have been laid off. The reduction of a benefited position will not impact full time employees until all benefited and non-benefited part time employees have been laid off.

(d) Layoff points will be computed based on the employee's length of service and performance. Employees with the least points within each classification will be laid off first. In the event of tied scores the employee with the least service will be laid off first. In the event of tied scores and identical service, layoff will be determined by lot.

(e) Total employee points are the product of the length of service and the average of the three most recent performance evaluations. When a performance evaluation does not exist employee points will be determined by crediting one point for each full month of service.

(f) Length of service will be determined by total uninterrupted service as a permanent or probationary employee counted in weeks. Leave without pay will not be counted. Full time equivalencies will be determined for service that is less than full time. Partial weeks will be rounded to the nearest whole week. Length of service will be calculated as of the first day of the week in which the City Manager issues the layoff notice.

(e) The CBJ maintains a Health Benefits Committee, which is made up of designated union members and unrepresented employee members. The Committee will meet at least quarterly to review progress of cost containment efforts, review the administrative company's performance and offer suggestions regarding other options concerning employee health insurance. The Committee will develop checks and balances on plan adjustments with the goal of maintaining the relative cost and value of the tiers. This committee may also develop, implement and evaluate Wellness Program activities and services and review the effectiveness of the Employee Assistance Program. Additionally, the CBJ offers a deferred compensation employer matching contribution for employees enrolled in the State of Alaska Public Employees Retirement System (PERS) Tier 4 Defined Contribution Retirement plan. The intent of the benefit is to match \$1.00 in an employer funded 401(a) plan account for every \$2.00 of employee contribution into a 457(b) plan account in a manner that grows with the employee’s total length of service with the CBJ. This benefit is subject to yearly Assembly appropriation.

(a) The CBJ provides an escalating employer match into a separate 401(a) retirement account to an employee contribution into the CBJ deferred compensation plan based on years of service, as follows:

0 – 1.99 years	up to 2% of wages	up to 1% match
2 – 4.99 years	up to 4% of wages	up to 2% match
5 – 9.99 years	up to 6% of wages	up to 3% match
10 years and longer	up to 8% of wages	up to 4% match

(b) Vesting for the employer match is as follows based on years of service after the start of the match plan:

- 1. 20% after 1 year
- 2. 40% after 2 years

3. 60% after 3 years
4. 80% after 4 years
5. 100% after 5 years
6. Those who reach the age of fifty-nine and a half (59 and ½) will automatically be vested at 100% regardless of years of service.
7. If a rehired CBJ employee previously cashed out their 401(a) matching account, their vesting time will be restarted with reemployment.

(c) Everyone has a unique tax situation and employees should consult their tax professional for advice about the tax implications of this benefit.

(d) The employee contribution to the deferred compensation plan and the employer match are subject to annual contribution limits as outlined by the Internal Revenue Service (IRS). At the end of each calendar year, the CBJ may audit matching employer payments to ensure that the employee achieves the appropriate matching contribution for the calendar year.

(e) CBJ employees who are in the State of Alaska PERS Defined Benefit Retirement plans (Tiers 1, 2, and 3) are eligible to participate in the CBJ deferred compensation plan without the employer matching contributions outlined in this section. (*Res. No. 3067, 3028, 2023*)
