

INVISIBLE INFRASTRUCTURE SERIES:

GOLD CREEK POWER PLANT & FLUME TOUR

Thursday, July 23, 5pm - 6:30pm

Meet at Flume Trailhead on Basin Road

CBJ And the Juneau Commission on Sustainability invite you to learn from AEL&P staff about the hydropower infrastructure that has kept Juneau's lights on for 130 years.

This session includes a walk of about one mile on uneven trails. Wear hiking shoes, dress for weather, and be prepared to descend steep hilly terrain.
