D. AGENDA TOPICS

1. Housing Workgroup Committee

1. Elect Chair of Workgroup: Deborah Craig is nominating John Brett.
2. Purpose of Workgroup: develop the JCOA Resource Table for November's AARP Caregivers Conference. Our table will highlight JCOA's work including a Housing component that provides attendees with information for an Age-Friendly Home AND resources in town, such as contractors, CBJ ADU grants, and grants for home renovation. Our base document will be the AARP Home Fit Guide. I hope to also highlight T&H's project to build age-friendly homes on Douglas (Laura!!).
3. Our first task is to reach out to Juneau Contractors and determine who can assist with Age-Friendly Home Renovations. We will contact local contractors, explain Age-Friendly Reno's using the Home Fit Guide — I have copies for all of you and to share with contractors. For everyone who approaches the table, we will have Home Fit Guide and a local resource sheet. Our current website is a great resource: <https://juneau.org/clerk/boards-committees/jcoa> Click on the Home Fit Guide.
4. Determine questions to be posed to contractors: see attached list
5. Assign Duties to JCOA Members
6. Determine Next Workgroup Meeting Dates
