D. Ordinance 2020-15: An Ordinance Amending the Continuity of Government Code to Improve City and Borough of Juneau Procedures for Emergencies.

A continuity of government code was created in 1962 during the height of the Cuban Missile Crisis when communities were concerned about physical attacks. While the underlying concepts in the continuity of government code remain relevant today—like designation of successors for certain municipal officers—some code provisions are outdated. This ordinance would modernize the continuity of government code to provide the current form of City & Borough of Juneau government better code authority to deal with emergencies other than physical attacks.

This ordinance was heard at the March 13, 2020 Assembly Human Resources Committee and referred to the Committee of the Whole for further review.

E. Ordinance 2020-16: An Ordinance Amending the Civil Defense Code to Improve City and Borough of Juneau Procedures for Emergencies.

Chapter 03.25 was originally created in 1962. This ordinance would amend Chapter 03.25, the Civil Defense Organization chapter to be consistent with current emergency management practices.

This ordinance was heard at the March 13, 2020 Assembly Human Resources Committee and referred to the Committee of the Whole for further review.
