1. Ordinances for Introduction

- a. **Ordinance - 2013-11(BF) An Ordinance Appropriating to the Manager the Sum of \$4,881,535 to Fund the City and Borough of Juneau's Fiscal Year 2014 Public Employee Retirement System Contribution; Funding Provided by the Alaska Department of Administration.**

This ordinance would appropriate \$4,881,535, which is the State's FY14 13.68% on-behalf PERS benefit paid for CBJ. Funding is provided by the Alaska Department of Administration which was authorized by passage of HB65 during the 2013 legislative session.

This is a housekeeping ordinance to properly account for this on-behalf payment and has no impact on the CBJ's finances.

The Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

- b. **Ordinance 2014-24(I) An Ordinance Appropriating to the Manager the Sum of \$2,792 as Funding for Travel, Training, and Technology for the Juneau**

Public Library; Grant Funding Provided by the Alaska State Library.

This ordinance would appropriate an additional \$2,792 in grant funds from the Alaska State Library for employee travel, training, and technology funding.

The current Public Library Assistance grant operating budget for FY15 is \$17,158, this ordinance will increase the grant budget to \$19,950.

There is no CBJ match requirement for this grant.

The Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

c. **Ordinance 2014-24(J) An Ordinance Appropriating to the Manager the Sum of \$3,228 as Funding for the Reimbursement of Bullet Proof Vests for JPD Officers, Funding Provided by the U.S. Department of Justice.**

This ordinance would appropriate \$3,228 as partial reimbursement for Bullet Proof Vests for JPD Officers.

This funding is provided by the U.S. Department of Justice. The Department of Justice offers a Bulletproof Vest Partnership program to law enforcement agencies across the nation. JPD has a mandatory vest wear-policy which makes our agency eligible for this partial reimbursement. JPD's estimated total cost for FY15 is \$6,744.

The Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

d. **Ordinance 2014-24(K) An Ordinance Appropriating to the Manager the Sum of \$67,812 as Funding for the Purchase of Used Equipment to Facilitate the Wheelchair Boarding of Passengers at the Juneau International Airport, Grant Funding Provided by Federal Aviation Administration and Match by Alaska Department of Transportation.**

This ordinance would appropriate \$67,812 to the Terminal Expansion Capital Project. Funding is provided as follows:

Federal Aviation Administration grant:	\$65,625
--	----------

Alaska Department of Transportation match:	\$ 2,187
--	----------

These funds will be used to purchase used equipment to facilitate the wheelchair boarding of passengers from the two gates that have no boarding bridge to the terminal.

The FAA funds 93.75% of the project with the remainder being split between Alaska DOT and Juneau International Airport. Existing local funds in the project will be used for the Airport match.

The Airport Board reviewed this request at its August 13, 2014 meeting, and recommended forwarding to the full Assembly for approval.

The Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

e. **Ordinance 2014-40 An Ordinance Amending the Public Ways and Property Code Relating to Right-of-Way Encroachment Permits.**

This ordinance would amend CBJ 62.55 with respect to right-of-way encroachment permits. The proposed amendments would expand the availability of such permits, especially when the street vacation requirements (CBJ 49.15.450) cannot be satisfied.

The current purpose of CBJ 62.55 is to make a parcel that had an encroachment into the right-of-way prior to 1960 a marketable parcel, thus enabling prospective buyers the opportunity to obtain a traditional 30-year loan.

The proposed amendments would expand the availability of an encroachment permit in two ways. First, it makes the permits available to parcels that encroached into the right-of-way prior to 1990, instead of 1960. Second, it removes the 30 year permit duration. Once obtained, an encroachment permit would be perpetual unless the structure is substantially damaged.

The Public Works and Facilities Committee reviewed this ordinance on August 18, 2014 and recommended forwarding it to the Assembly for approval.

The Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

f. **Ordinance 2014-43 An Ordinance Amending the Penal Code Relating to Offenses Against Property.**

This ordinance would make the CBJ penal code with respect to certain property crimes consistent with State law. The ordinance would make the CBJ code sections directed at larceny and related offenses (specifically: larceny of money or property; concealment of merchandise; issuing a bad check; theft of services; and criminal mischief) consistent with newly enacted State law (SB 64). Additionally, this ordinance makes certain housekeeping changes to correct inconsistencies both internally in the code, as well as with State law.

This ordinance would:

1. Amend the threshold levels for larceny and related crimes and impose a cap for A misdemeanors in order to be consistent with State law. The threshold level for an A misdemeanor would be more than \$250 but less than \$750, and for a B misdemeanor, would be less than \$250.
2. Provide that if the value of the item or service stolen or concealed is less than \$250, but the person being charged has been convicted and sentenced with two or more convictions for larceny or a related offense in the preceding five years, the offense would be charged as an A misdemeanor.
3. Amends CBJ 42.15.025 to be an A misdemeanor rather than a B, in order to be consistent with State law.
4. Amends certain code sections to remove the distinction between A and B misdemeanor charges based on dollar amount thresholds. The purpose of this amendment is to make these code sections (retention of lost property and theft by deception) consistent with State law.

The Manager recommends this ordinance be introduced and set for public hearing at the next regular Assembly meeting.

2. Resolutions

a. **Resolution 2695 A Resolution Providing For Interest Rates For The General Obligation Bond Being Issued Through The Alaska Municipal Bond Bank.**

This resolution sets the maximum amount for interest rates for the sale of approximately \$13.05 million (principal maturities plus premium) in general obligation (GO) bonds. This bond sale is a portion of the \$25 million authorized by the voters in October 2012 and by Ordinance 2012-44 in December 2012. The proceeds will be used to fund portions of 4 capital projects. The sale consists of 20-year bonds. This resolution delegate's authority to the City Manager or designee to adopt interest rates at or below amounts listed in Schedule A of the resolution. The bonds are scheduled to be sold in the financial markets Wednesday September 24, 2014. These bonds are being sold through the Alaska Municipal Bond Bank Authority.

The estimated total debt service, including interest at an average rate of 3.77%, for these bonds is \$17.4 million. The first 5 years of debt service funding for these bonds will be funding from the 1% sales tax extension authorized by the voters and the remaining 15 years will be included in the debt service component of the property tax mill rate.

The Finance Committee reviewed the resolution at its August 20, 2014 meeting, and recommending forwarding to the full assembly for approval.

Subsequent to that meeting the resolution was revised to lower the overall interest rate by .18% and the rates in Schedule A were adjusted accordingly.

The Manager recommends this resolution be adopted.
