G. AGENDA TOPICS

2. PUBLIC HEARING

Ordinance 2022-56 An Ordinance Amending the Land Use Code Regarding Alternative Residential Subdivision Requirements.

The Assembly created the Alternative Residential Subdivision standards in 2019. (Ord. 2018-41(c)). The purpose of the Alternative Residential Subdivision is to create flexibility in the regulation and use of land to promote and encourage different types of housing options. CBJC 49.15.900. A property owner is currently seeking approval from the Planning Commission for 440 units of housing using the Alternative Residential Subdivision code. However, during the application review, staff and the Planning Commission identified a code inconsistency with the definition of unit-lot. This ordinance would amend the unit-lot definition to be consistent with the other Alternative Residential Subdivision standards.

This ordinance has not been reviewed by the Planning Commission, which is meeting on November 8, 2022, to consider the 440 unit development.

The City Manager recommends the Assembly adopt this ordinance without review by the Planning Commission.

3. Resolution 3005: A Resolution Encouraging Federal Agencies in Juneau to Coordinate Collection of Biometric Information for Foreign National People and Refugee Families.

Refugee families and foreign national people are required to submit biometric information (picture and fingerprints). Currently, they have to travel from Juneau to either Anchorage or Seattle, which creates

financial burdens for them, their employers, and local nonprofits. However, the Juneau office of U.S. Customs and Border Protection has the ability to collect the biometric information. This resolution encourages the two federal agencies to coordinate, which will decrease fiscal hardships to Ukraine refugee families, local families, seafood industry employers and employees, and local nonprofits.

The City Manager recommends the Assembly adopt this resolution.
