VI. AGENDA TOPICS

A. Public Hearing: Emergency Ordinance 2021-33 An Emergency Ordinance Reestablishing the City and Borough of Juneau COVID-19 Mitigation Strategies and Providing for a Penalty.

The existing COVID-19 Community Mitigation Strategies (Ord 2021-22) are set to expire on July 31, 2021. Due to a recent uptick in case activity, increased community spread, significantly restricted medevac capacity, and the presumptive spread of the more transmissible Delta variant, the Emergency Operations Center believes it is in the best interest of the community to extend the current COVID mitigation measures until October 31, 2021.

The Community Mitigation Measures are substantively as they were before, although a few restrictions have been lightened to take into account the community's current vaccination rate. In addition, a level green has been added to define when the community is back to normal. A memo outlining the specific changes is included in this packet.

The City Manager recommends the Assembly adopt this ordinance.
